MKE has been described many times before, the location is discrete, the free car park is next to the agency. Rooms are clean and possess everything one needs, double bed, full size free standing mirror and furniture for drinks.

The Lady:

Talia's photos give an accurate idea of her body, but no idea of her face.

Well, she's very attractive with a beautiful smile, and Talia smiles a lot, she's bubbly and friendly and the combination of her personality and the lingerie and stockings was the perfect turn on.

The Story:

Talia entered smiling, a hug and a kiss. She told me she'd just had a doughnut which one of the other girls had brought in. She had a sweet sugary taste to her lips. She then offered to undress me. Which she did. Then momentarily stood in front of me, smiled and said, "oh I should get undressed now".

Bloody hell, the one piece came off and she stood naked in front of me, firm full breasts, one pierced nipple, shaved pussy, with a body that's being sculpted in a gym and I had an instant erection. Big enough for Talia to comment on the size.

Onto the bed and deep French kissing. I asked to look at her properly, she lay on her back, opened her legs, and if it was possible I got even harder and bigger. I enjoyed rubbing her clit and feeling her pussy get wet.

BJ was perfect, followed by a change of condom then we went to the main event, started with cowgirl, then doggie and she has perfect bum, felt great thrusting back and forth, cock in pussy, belly hitting against her bum, and she is tight. She said she enjoys doggie most. Having said, that she was happy to swap to missionary. A relaxing massage followed the main event.
