### The Premises:

Diva lives in a very easy to find street in Bayswater, not an unfamiliar one to me being somewhat a regular in this area! Easy access, nice and cosy inside. Quite a small room, but nice. Decent shower, and everything was clean and tidy.

### The Lady:

Diva is most certainly the girl in the pictures, and she looks just like this in person. There is of course the obligatory touching up that professional studio shots provide, but she really is that pretty. Slim, sexy, with a very pretty face. She has all natural, quite small boobs, perky and cute, and a great ass. Her English is pretty good too and she is able to hold down a decent enough conversation. Not that I had the time to converse too much in an hour!

### The Story:

We began proceedings as usual with the exchange of money. She's a good deal at £150 in my opinion. She really did look the part too. Dressed in just her panties, a black suspender belt and a push up bra, with a pair of real "Diva" heels. They had little spikes all over them and were really rather amazing to see. She had that quintessential working girl look about her which I found really refreshing after seeing numerous girls trying to look like they have a permanent iphone filter on their faces. Diva isn't afraid of spashing on the rouge and really going for the "Diva" look.

To be honest, she confessed to being a little tired, but she was still very passionate. I did arrive at 22.00 in the evening, and she had probably been busy (well, I'd expect her to be at that price). She was very welcoming. She undressed in front of me and gave me a little wiggle and a giggle. She turned her back to me whilst I sat on the edge of the bed and she reached around and whipped my towel away. Then she gently moved down so her arse dragged along the top side of my cock, and she peeked over her shoulder. This was very hot. She's a very hot young woman.

It wasn't long before she turned and dropped to her knees in front of me to take me in her mouth. She had however reached for a condom first, which disappointed me a little because it has said that she offered OWO. I didn't say anything at first because as she began to suck me off, it actually felt really nice. But my choice of OWO got the better of me and I asked her if she would. She told me that this was an extra 50. This was fair enough I suppose, but it wasn't something I was going to

pay an extra £50 for. CIM I'd pay for all day long if the BJ was good enough, but not OWO. When I think about it now, it's mostly £200 escorts that do OWO without charging extra, and this was Diva's point too, and a point she made quite well and very plain. There was no awkwardness, and she continued. Just something I think is important to share. Maybe if she charged £200 and automatically did OWO it would be better. She's definitely worth the £200 price. Her oral technique is very good actually, she gripped me tight in her mouth and took quite a lot in, and I'm not a small chap!

Soon moved onto some cowgirl where she took command quite nicely. I liked grabbing her arse as she rode me. It was nice being able to suck on her perky little tits at the same time and kiss her occasionally too. She's a very responsive girl. I turned her over and went for it in doggy and pushed her onto her front with her head in the pillow and closed her legs for maximum tightness. She seemed to like this a lot and got herself all juiced up. I love the way she looks over her shoulder too, she's really sexy like this. I decided to finish in missionary where I could get a good look at her pretty face as I came nice and hard inside her. It was a lovely end to a pretty hot day in London. Especially since I'd already seen a girl earlier on that same day! I give myself top marks, as well as Diva!
