The Premises:

Serviceable enough. Shower just ok. Fresh towel and a cold drink :)

The Lady:

As per site. Slightly older than pics slightly curvier. In my opinion very attractive. Lovely natural breasts. Clean and smiley.

The Story:

Easily one of my best encounters ever.

Olina are a super easy to deal with bunch and the booking was fast.

The visit was just the best. Fantastic GFE with an obliging and receptive young lady. It was literally like being with a favourite lover. All services etc cim provided with great enthusiasm and no clock watching.

I will certainly return, my head is still full of the experience.

I know this sounds a bit fluffy but having been suffering with the Roms recently this was just such a breath of fresh air.

Just brilliant, thank you very much indeed.
