### The Premises:

Flat near sainsbury's with blacked out glass exterior. Plenty of free parking after dark.

### The Lady:

Amy was a little smaller than I was expecting for some reason, but definitely the girl in the photos. Small but protruding pair, very smooth and soft skin.

### The Story:

Amy answered the door, showed me to our room and the shower opposite. Once refreshed, Amy joined the room and we spent a few mins getting to know each other. Started with an ice breaking massage, before RO followed by OWO.

Decent enough, but I was up for ramping things up. Moved to doggy which was pretty cool, she felt tight and I could see her lips clinging to me, a sight to treasure! She got onto cowgirl briefly before we moved to mish where I finished a short while later in the bag.

Had a nice chat about her history before we broached other topics which led to her listing anal as a service. Originally hesitant as I'm quite thick, she agreed after I extended appt and promised to take it slow lol. Lubed up and away we went, nice and slow as always to start with, before bringing the heat! Could tell she genuinely enjoys it, even when I went for it she'd rest a hand on my thigh just to control but told me not to stop! Whoa, what a great sesh. Really nice girl, treat her well ofc.
