### The Premises:

3rd floor flat in a slightly shabby building off Cromwell Road. Very large bed.

### The Lady:

two Romanian girls; Selga exotic and playful and Lea cute and more businesslike. Lea has a lovely little nose which gives her more than a passing resemblance to Samantha (Elizabeth Montgomery) from Bewitched. It did occur to me to mention this but I decided that references to 1960s US sitcoms might go over her head.

### The Story:

My favourite London girl has gone back to Russia for a month so I decided to compensate with two girls. I don't know why I do duos. I think I approach them with the wrong attitude, the idea that I have an hour to try and satisfy two girls and I end up spending my time trying to achieve this rather than just enjoying the experience. I was also nursing a hangover from the night before which never helps.

Leaving that aside these two were lovely and enthusiastic. Selga liked the way I fucked her and Lea gives awesome head. I'd happily see either again but probably individually.
