The Lady:

Very pretty mixed race lady, nice boobs and bum not too big, overall nice curvaceous figure. If you want an idea of what she looks like think of Jessica Hudson from The Voice.

The Story:

Walked into parlour without pre booking, had an idea which ladies I wanted to see before I left was pleased that Kelsey was one of the ladies available and her lovely smile when she introduced herself was all I needed to decide. Once she came back into the room she asked me to take my clothes off, I was happy to oblige although I was disappointed no kissing and cuddling was on offer. She suggested a massage which I agreed to, so I lay on my front whilst she run her hands along my back and private parts, after a short time I turned over, and after complimenting me on my big cock she proceeded to give me a lovely uncovered blow job, after a few minutes I asked her to stop as I wanted to shag her doggy style, she happily obliged and after a few minutes doggy I came inside the condom.

Overall a good punt, tbh I would have liked some more intimacy but she is a cracking lady that I would recommend.
