The Premises:

Victoria, first floor, the room with the staircase. Not the best of rooms, but makes up for it with the standing mirror at least.

The Lady:

Slim, cute, with sexy feet. Cute bum, and a great attitude. Her pictures are accurate and spoke fluent English.

The Story:

Part 3, see my previous reviews on amaya and Millie.

I already seen Millie earlier in the day and quite honestly scored with another lady after that. So I must be turning into some sort of animal because I had no business seeing another girl. I booked Apple purely out of curiosity hence why I went for the minimum. Apple has such a sweet body, I would have loved to Wack, but frankly I had no energy despite being a young adult.

Apple had such enthusiasm that I did not expect at all being her last customer. I think she liked me because she called me the Sherry on the cake at the end of her day. I defenitely need to book again to actually get to play with her. Cute bum.

This will sound weird but I thought she had the best feet in HOD. I tend to admire Asian women's feet, and I certainly approve of hers. It's a turn on for me.

I had no energy like I said, but Apple worked hard to give me my 4th pop for the day using hand while sucking my thump very enthusiastically.
