The Premises:

located in the rough end of the gay quarter, plenty of public transport to get here. lots of car parks nearby, would not recommend parking on this street. Flat is nice and quite modern.

The Lady:

Maya is a large bbw, very short at a guess I would say about 5ft tall. Very pretty face dark hair, about 25yrs old, does look like the lady in the profile pictures but not as large. No tattoos or piercings. Maya is a Romanian lady.

The Story:

Sent Maya a text and she responded immediately, asked if she sees older men and she replies yes. so communication is very good, maybe because this is a niche market and she is not busy as bbws are not everyone's cup of tea. Don't usually see young ladies as I generally find their service to be very poor, but needed to unload and at £30 a pop not much to lose. Buzzed into the building and guided through the maze by Maya, who met me at flat door. led to bedroom she goes to stash the cash, returns and we both have undress. very friendly lady good grasp of the English language. On with the condom and she gives me a very good blowjob while I play with her massive boobs, takes it very deep loads of slurping, strong suction. Next on to doggy likes it hard and fast and encourages you, can take a good pounding and this went on for a good ten minutes till I filled the bag. Cleaned up by Maya, no rush to leave, dressed and had a chat she has a good sense of humor. Hug and a peck on the cheek and I am on my way home. Great vfm this punt, would revisit, highly recommend.
