### The Premises:

House of Devine upstairs flat new to Victoria.  
Clean and tidy.

### The Lady:

East European girl blonde with large natural tits, between a size 10 going on 12 figure. Not a BBW just a girl carrying a extra pounds.

### The Story:

I was a little apprehensive as this was my first punt in over 12 months and the first since things started to open up again, however I needn't have worried.

Once all the financials were sorted out Rebecca stripped and laid on the bed and so did I and joined her, there we both started to stroke and fondle each other, obviously there was no kissing though I could see that Rebecca really wanted to. Then she applied a green rubber and commenced with an excellent blow job, nice and slow just how I like it.

We then switched places and I went down on her sweet shaved pussy.

Then it was on to some missionary sex, Rebecca was nice and wet from my oral administrations so I slipped in easily. We then tried to switch to her on top but at this point I started to lose wood and so finished by hand as Rebecca played with my balls and licked my nipples.

Afterwards we jus laid on the bed and cuddled and carried on as we had originally started with some light fondling until time was up.

Got an extra treat as I was leaving the room as I was lucky enough to see Kat in all her naked glory, as she headed into the other bedroom, wow I'll certainly be looking to seeing her in the not to distant future.
