The Lady:

I know it's a cliché but Louise really is better than her pictures.

She has very beautiful blue eyes, she's about 5'6", slim with gorgeous pair of enhanced breasts.

Louise has a very beautiful smile that also has a hint of just how naughty she can be.

The Story:

I had been wanting to see Louise for a while, but our diaries never matched up, until today.

I arrived a few minutes early and was asked to wait in the room downstairs, this was nice as it had a massive fan on, and considering it was such a blisteringly hot day.

Louise walked in looking amazing in some very sexy underwear, she greeted me with a very passionate kiss, we sorted out the paperwork and she asked what I liked.

Louise came over and started kissing me while undressing me, so I thought I should help her get out of her underwear. Once her bra was off her lovely pert D cup boobs were a sight to behold.

Louise told me to lay on the bed and she proceeded to give me an amazing blow job, with plenty of eye contact. I then said that I want to taste her pussy, so she straddled my face and continued to suck my cock while I sucked and licked her sweet pussy.

Louise then decided that she wanted to ride me, which she did expertly well, in both cowgirl and reverse cowgirl. We then switched to missionary and then doggy. Both of us were feeling the heat even with the fan! And eventually we both succumbed and collapsed in a sweaty heap on the bed. Throughout the time Louise was very chatty and made it feel like FWB rather than a punt. We both had a lot of laughs and banter which just made the time more enjoyable.

Louise really is a great young woman that ticks all the boxes!

I will definitely be seeing her again (when our diaries realign)
