The Premises:

Location is good with nearby parking and shower available however this will be taken into account in the time of booking and if u don't have time left then u cannot take a shower

The Lady:

The picture are as per the site however the services are mediocre....Blonde Sarah is profile name on Vivastreet

They are a bunch of Eastern European and there's a maid who answers the phone sometimes an most coms is by text

The Story:

This is a B&S mediocre service. They cannot keep up to their bookings and often mess u up .I've been there 3 times and on the 2 and 3 Rd visit I declined and was declined as there was another lady and on the 3 just 20 mins before they gave an excuse that they have inspection visit

Absolutely rubbish and waste of time and Expensive as I compared them to some other escorts in London who would provide fantastic services as describe on their profile.

Most of the services offered on the profile is not offered when your there
