The Premises:

Her place is in Bayswater. I've been here before, it's easy to find. A bit pokey in her bedroom and only about enough room for a bed. Still cosy and clean and tidy.

The Lady:

Candy is the same girl in the pictures, although she looks a little older in person. Lovely body, very pretty and natural. She is keen to please.

The Story:

Candy was dressed in stockings and a suspender belt as I requested and a black bra. That soon came off and her panties came down, but she left on the belt and stockings. Her OWO is pretty good and I already knew I was going to unload in her mouth, so I was very turned on. Stopped short of it and had sex for a while in missionary and doggy. Candy likes to keep making sure the condom is on, so that was a bit of a pain in the ass, but perhaps she's had a problem in the past. Finished with her lovely OWO and CIM. Ended the session with a great massage.
