### The Story:

I had visited Jess before, which was longer than I had realised (12 rather than 6 months ago) and Jess had noticeably lost weight, not that she needed to and is now the definition of 'fit'.

Having had the pleasure of a few different ladies at Ego, all of which were very pleasant experiences, I have to say this was the best. Not only was the massage relaxing and just what I needed to relieve the tension of the week but the erotic side was mid-boggling. Hitting all the right spots at the right time building to a climax that was out of this world. If I'd died at that point, my life would have been worth living, it was that good.

Facially, Jess is beautiful and sexy all in one and her body is simply perfect. For the first 20 mins Jess massaged me, the next 20 mins I massaged her then we swapped again for the main event.

I cannot recommend Jess highly enough and will ensure it's not another 12 months before our next appointment.
