### The Premises:

Very clean, discreet and professionally run parlour,

### The Lady:

Very pretty petit lady, all the best curves in the perfect place

The photo on the website does do her justice

What a gorgeous smile

### The Story:

Arrived 5 minutes early, and being a very busy and discreet establishment I had to wait in an isolated room until Tia was done with the previous client

I was promptly guided to the room by the manager

Quickly took a shower and Tia entered as I was drying up

Quick chat and I was politely asked to lay face down on the table.

Tia commenced with gentle strokes covering my body with the occasional gentle stroke of my balls,

I could feel her smooth body against mine at all time times, I was also in oranges to feel her

gorgeous butt cheeks whenever accessible, which was sort of giving me a taste of what was to

follow, Tia took off what little she was wearing and proceeded to slide her perfect curvy body

against my back, what a feeling, after a while hike Tia asked me to roll over and proceeded to

massage the front of my body paying more attention to my now throbbing dick, at the same time

allowing me to feel heat perfect natural tits and occasionally gently kissing her beautiful nipples.

This continued until I could not take any more, and she felt it, she directed my manjuice all over her gorgeous breasts,

To end things Tia gave me a nice shoulder massage and prepared the shower for me.

My first time at Ego Massage and definitely won't be the last !! Tia got me hooked ;)
