The Premises:

The place is located on a very nice and quiet street and is away from any prying eyes. Very discreet in my eyes!

The Lady:

Absolutely stunning! She is 6 foot tall and was dressed in gorgeous lingerie and had a see through robe on as well. She is a natural stunner (not that much makeup and not needed at all). Has a gorgeous smile and accent

The Story:

Well this my my first ever experience of a GFE and I was not disappointed. Being nervous naturally she put me at ease straight away. Went in, sat with her and had a chat and proceeded to take a shower and without giving too much away, that was an extremely steamy shower ;)

She joined me in the shower and the 2 hour blissful rollercoaster started. It was a mix of teasing and tantalising massage with an extremely satisfying end. I was so sad when it was all over but will definitely be back again soon.

Thanks for putting this nervous wreck at ease and for giving me a great first experience!
