The Premises:

Actually easy to find but simultaneously back from the road - cosy, small place. It's very near the big Green Man roundabout in Leytonstone, where the big Tesco is - maybe 5 mins walk max.

The Lady:

So Bella I didn't expect to like quite the crazy amount I do. Sort (which is how I like them!) but large breasts and lovely erect nipples (not my usual sort), ample behind, but THERE'S MORE. Read on.

The Story:

OK so after texting, I met Bella, a lovely, friendly lady. Greeted me with a wide open-mouthed kiss - I'd asked for lots of kissing and that's exactly what I got. Tongies in mouths, tongues circling, outside of mouths, tongues running over lips, tongue deep down throat, fully mouth-open kisses ... the works. No sense of having enough from Bella, she just kept going as long as I did. Heaven!

Bella has a lovely pair, great suckable nipples that she asked me to suck on. You heard that right, she asked me. Lovely backside, too, but my her pussy. It tastes SOOOO sweet. I could spend a LONG time down there, and I feel she'd like that too.

Do try Bella, gents. The pics on the other site don't do her justice - she is lovely, warm-hearted and welcoming. Nice long blonde hair that is lovely to stroke while she gives a sloppy Blow Job, too.

I felt safe the whole time and was able to exit without being seen.
