The Lady:

Trina has the body and face of a super model. Slim natural figure with great legs and boobs (not enhanced as website suggests). Olive skin, tall and dark hair, just amazing

The Story:

So here is where it goes wrong! I had seen Trina some years ago and had an amazing time so I thought I knew what to expect. We started with a massage and once this was over I tried to touch her and she said it will cost you £40 for a GFE if you want any of that! I refused to pay more so there was some covered oral and some good sex and any attempts to kiss or touch were met with the pay more vibe. I don't know what happened, has she become greedy or disillusioned? So for that reason I would avoid and save your money for a more honest experience. To be fair to Victoria's they did take note of my complaint.
