The Premises:

First time I visited this agency. Plenty of parking nearby on side streets and supermarkets. Was lead upstairs by the maid and was impressed by the room as quite spacious.

The Lady:

Trina is a tall mixed race lady. As soon as she walked in I knew I made a good choice as personally prefer going for tall leggy ladies. Face was fairly attractive and she had a killer body. Nice perky boobs, slim waist with those hot legs and a great bum!

The Story:

I've got to say she's very good value for money and not highly priced as others. Trina has a great down to earth personality making me feel welcome and comfortable. Unfortunately I wasn't in top form during the booking so managed to pop just twice in 2 hours, however Trina is very experienced with massaging which alone was a top service. For me, DFK and OWO was all included and Trina certainly make sures you got away being happy! Very enthusiastic lady and highly recommended! Will be happy to see her again!
