### The Story:

AVOID! AVOID! AVOID!

As described very obese 6ft woman. Just about. Got there and decided to leave straight away. Unfriendly and just off . As I left she blocked door and said I had to pay £10 which I did. I cut my losses but saved £110 so not worth the agro.

She said some lame stupid comment that this why working girls don't see the black community. Well I think I should get a medal if it means no black, white, brown or yellow visits her! Save your money people!!
