### The Premises:

Great location, discrete doorway in a parade of shops, clean and tidy rooms and fresh towels. The lovely Cindy was the receptionist so always a warm welcome

### The Lady:

Great looking mature woman, a little fuller in the figure than the photos suggest however in good shape.

### The Story:

Sienna was late, very late due to traffic however I was greeted with a passionate kiss with her tongue thrusting in my mouth so worth the wait. Great oral, returned the favour which was well received. some good sex followed but no result despite her best effort. We had a fun time, she described me as pretty which I think is a compliment! We ended up with a quick shower together before the time was up. Lovely personality and easy to get along with, recommended
