The Premises:

Nice and easy incall to a place I've been before a few times. Not far from Bayswater station. Easy access and a nice big apartment with plenty of space. Very large and comfortable bed in the middle of the room. Good shower facilities etc.

The Lady:

Stormy is certainly the girl in the pictures. She is older than her age suggests on the website, but looks great. Very, very slim and slight girl, but tall. Great ass, enhanced perky boobs, tattoos look cool. She is incredibly sexy. Speaks very good English. Lovely girl.

The Story:

She was dressed in panties, bra, and a pair of sparkly heels only when she answered the door, so I was very happy. Greeted with a nice gentle kiss and a smile. She is confident and likes to talk, so we chatted whilst I got ready for a shower. Afterwards she got straight to work. It was quite a sensual encounter with Stormy, and we took our time. Her OWO skills are pretty good, although she does not DT as it suggested on the website. I wasn't too bothered about this to be honest because it was still very nice. The best part was her on top though, pushing her tits into my face and kissing me passionately whilst she rode me. Feeling her on top and with her being so light and manoeuvrable was a real treat. Her ass feels wonderful. With that in mind I turned her over and went at it from behind with her legs closed. Grabbing her ass I finished in this position. Was a good booking. I would recommend.

Nice chat afterwards. She is a lot of fun.
