The Lady:

Stunning tall mixed race princess with a beautiful figure and pretty face.

The Story:

This was my first visit to massage-Northampton and I asked to see Shantel as her description matched my preferences with her lovely brown skin.

I waited nervously until Shantel entered the room and immediately gave me a lovely soft kiss with her beautiful lips. She then undressed to reveal her beautiful body and lovely long legs.

We began with a slow back massage and I then felt relaxed and excited about how things were going to develop. I can honestly say everything was unrushed and fantastic and I bathed in Shantel's beauty and could not get enough of her but was just able to keep control lol..

I would definitely return to this establishment and see Shantel and the other beautiful ladies available.

The host of the establishment was a well spoken friendly lady and she was also wonderful and put me completely at ease.

Thank You so much for a wonderful first visit xx From David xx
