The Premises:

Rental apartments close to Gloucester Road tube. The area feels very safe. Reception pay hou no attention. A simple if small apartment, clean shower facilities and bedroom.

The Lady:

A 5.7 vision of Spanish beauty. Looking exactly if not better than her video. I requested the very same outfit and did not regret it! Big fake tits made for playing with.

The Story:

After a couple of failed attempts to see her. My booking finally arrived. The address was supplied minus room number which I need to phone gor just before my booking. There was a screw up with the booking, so although on time, I was now 10 minutes late. My phone reception was blamed although all other coms worked fine. Not a great start!

Luckily, having Maria greet me in her infamous video outfit dispelled all the stress. A quick chat & shower to freshen up. And there she was inviting me to the bed. Before knew it, dfk ensued, Maria scooped out one of her enhanced breasts for me to play with, my hand working it's way to between her legs, playing with her already wet pussy. She told me that she was playing with herself in advance. I quickly got her to cum. what a sexy temptress she proved to be. What a joy it was to lick & kiss her beautiful body, working my way down her thighs, where she turned onto her front to invite me to her firm bottom. I soon found myself overcome with a lust for tasting every inch of her. She tasted divine and I got her to cut for the second time.

Staring at me throbbing cock, Maria said, this is not fair. Two times in 15 minutes. It's your turn. She quickly set about a sloppy bj, what a sexy site. Looking down on that sexy face with divine pouty lips sucking , and a probing tongue adding to my pleasure. I unloading into her eager mouth & face, glorious.

A short rest & chat. Maria's hand, then mouth found its way onto my now throbbing cock. Being asked, would you like to fuck me? I didn't need asking twice!

Maria certainly is a passionate woman. Lots of dfk while in the throws of various positions and sexy Spanish words being shouted out. Finally coming to the boil, she lays back on he bed and invites me to finish off over her beautiful breasts & face. WOW!

I would certainly love to see this Latin lady again. Ay Caramba!
