### The Premises:

For those of you who knew Anna from Olina's, Fallyn is residing in Anna's old flat in Bayswater. It is a nice, cosy, clean place about 5 minutes walk (max) from Bayswater tube station.

### The Lady:

Fallyn is a good looking, voluptuous Thai lady (the body type I like - not a big fan of stick thin ladies). I would say her age would be in her late twenties / early thirties. The photos on the website are accurate and I would say the photo of Fallyn in the nurses uniform is probably the most accurate picture of her.

### The Story:

The moment I entered the flat, Fallyn greeted me with a nice, deep french kiss and was fondling me. Which got me immediately aroused. FALLYN then started undressing me and we continued with more DFK for a few minutes before Fallyn suggested an assisted shower, which I accepted. The assisted shower was nice, with Fallyn giving me a nice soaping and ensuring my cock, balls and arse were nice and clean and fresh. Fallyn also gave me a nice DT BJ in the shower, which got me hard.

After the shower, Fallyn dried me off with a clean towel and then we proceeded to the bedroom. We started with DFK, then Fallyn moved to down to perform DT also gently licking and sucking my balls, and some nice gentle rimming, which was all very enjoyable. I returned the favour and perform RO on her. Fallyn's pussy is clean shaven and tasted great. Then we had sex in various positions, cowgirl, mish and doggy, with Fallyn admiring herself having sex in the mirror. After having vigorous sex for several minutes I finished off with CIM.

After round one finished we had a nice chat and some hot chocolate together (to restore our energy) and then proceed for more of the same fun and games. :)

Fallyn's English is good enough to have a decent, intelligent conversation with her. I found Fallyn to be a warm, kind, generous, smart, funny lady, and all round fantastic company. I can see why Fallyn gets so many positive reviews. Fallyn is highly recommended and I will definitely be visiting her again soon.
