The Story:

Gosh - what to say.

Viva is a friendly and easy going lady and provides all her services with great skill. During a preliminary cuddle we discussed what we both liked and then proceeded to fulfill all those desires. The details are private between us.

Now I'm an old man - I started punting 25 years ago - and I am running on two cylinders, but we both came in the last ten minutes. That shows the Viva is a class act and no mistake.

Viva is a gem - not to be missed.

Incidentally - round about 40 minutes we tried the new erection enhancer EROXON. One pea sized amount of gel which Viva rubbed onto the head of my penis for 15 seconds. If you are interested I can tell you that it works, well within the 10 minutes advertised. It was back on with a condom and back into penetration for a wonderful last 10 minutes. Conveniently I bought it from Boots above Victoria Station on my way (but it is available from other sources)
