The Premises:

Cheshire Elite, formerly Excel Sauna, is clean. A little bit more traffic than normal on the rear because of the new barber downstairs who use the rear door for access and keep it open when the barber is open. The receptionist, one of the owner's today, was a pleasure and we had a nice chat before going into the room. The shower, today, was working but one of the main complaints is that the showers - bar one - is not 100% working but, as the owner advised, it's something due to the layout. Rooms are clean and bigger than some of the other parlour's in Crewe and, with the heat nowadays, cooler than most.

The Lady:

Victoria is a bright and pleasant blonde twentysomething; the sort of girl that would not look out of place at a cocktail party dressed to the nines. Blue eyes and busty with average build, she has a light tan from her travels recently. She has an adorable accent like a sort of Emma Watson-esque tone in her voice and game for most things in the bedroom.

The Story:

I won't kiss and tell too much but the experience was lightning in the bottle. She was sensual, soft and her hands brushing all over me to start with and ended with OWC. Victoria is pretty high in demand since there was at least another booking afterwards but we did manage to have a chat where she was thinking of doing some more travelling again so would likely be not a permanent fixture, a shame really, but hopefully I will get to see her again before she goes on her voyages beyond.
