The Story:

This review has been a while in the coming. It's fair to say I hit it off with Aylin, she enjoyed my oral as did I hers. Following that was some very sensual sex, albeit a little brief due to time constraints, and there absolutely nothing fake about it, not for me and not for Aylin, from what she alluded to afterwards.

I also discovered during the tidy up period that we used to share a common sporting interest, which accounts for her lovely physique.

I didn't ever really think it would be possible to have a genuine GFE at a place like Annabellas, and I don't tend to go looking for one anyhow, preferring something closer to a rude and raunchy PSE as a rule, but I think with Aylin it came as close as it's possible for me to get to one. She's a very special young lady. xx
