### The Premises:

A few mins walk from either Queensway or Bayswater tube station. Residential area, so not many people walking around.

### The Lady:

Monica is lovely Thai lady about 5'1, mid 30s, size 8, C cup all natural boobs, shaved pussy. She had 1 tattoo on her tummy and 2 around her left shoulder. Hardly to no makeup on. No manicure or pedicure. Hair length down to below shoulder. She has been in the UK for about 3 months now. Her English is manageable and we had some good banter.

### The Story:

I arrived 15 min early. Some issues with comms but nothing major.

Monica was wearing some very sexy lingerie. A beautiful sight. Took my shoes off and she asked if I wanted a shower. Big smiles when I said yes. Stripped off and handed over the money.

The shower space was barely enough for one person. So I did not bother asking Monica to join me. Shower done and towelled dry. Monica took my towel and ensured I was properly dry.

I could see a little belly protrusion from child birth. So I had a lovely milf for the hour. We engaged in LFK which quickly evolved into DFK. DFK was on tap for most of my time with her.

I did say to her that I wanted GFE and I got exactly what I wanted. There was no rush throughout. I wanted to savour every minute with her.

I lied down on the bed and asked her to lie on me and we engaged into more DFK, decided to lick her earlobes and kiss her neck. No objections. A little ticklish on the neck but all very enjoyable. She then moved to my side and we started chatting among all the snogging. It was going at the pace I wanted.

Next I helped her strip completely. Feasted on her lovely boobs. She said they were small. Not for me, real C cups are far better than DD/E bolt ons. RO followed and I was surprised how small her

beautiful pussy looked. It might be a problem later I thought. She is not vocal so I kept checking if she was enjoying it. Head to the side, eyes closed, soft moans, hands up near her head... she was in ecstasy.

Went in for some rimming and her hygiene was impeccable. I spent a while rimming her with encouragement from her. I asked if anal was available. She said usually yes but her tummy was not great on the day. I was really ok with it, she was more to keep me occupied.

We decided to swap positions. She was gagging for cock. Really great OWO. It was a pleasure watching her head bob, her soft hair touching me, her lips around my erection.

She asked if we could fuck. I was ready. She applied the condom and tried to get into cowgirl. As I suspected entry was small. She grimaced a bit, sprayed some lube and tried again. It was a slow gradual entry but we got there in the end. You can easily blow your load with this one.

The rhythm was well paced. I brought her close to feast on her boobs all over my face. I could not get enough.

We swapped for mish. Slow entry again but she does accommodate well with each pump. Strangely she took the full length and at one point I increased the pace dramatically and she was really enjoying it.

We varied some positions with me, standing to provide the deep thrusts. Moved both her legs to one side and entered and then repeated on the other side.

Doggy next. Being on the floor I could go really deep. Clearly saw the tattoos and pounded away. Stopped for a break and lied down.

Time flew by, she said we had 5 min left and she was disappointed I did not cum. I felt for a hand job and condom off she got to work. With some guidance she worked me well to an explosive conclusion. She took a lot of care to wet wipe me.

I had a well deserved shower. Dried up and it was her turn to use the facilities. We got dressed, kisses on the lips and off I went.

**Pros**

Lovely natural C cups

Looks similar her Oline pics - I saw her without makeup

Brilliant GFE - I can't fault her

DFK throughout

Hands on cock when there was no penetration. Nice tease.

**Cons**

Shower too small-I would have liked a shared shower with her

Will I return: most definitely yes. It will be sooner than later.
