The Lady:

My word! Viva is the complete package: Beautiful, hot, sexy, smart, and lovely. She ticks all the boxes. I particularly love her green eyes, silky hair, long legs, and smooth skin. She is much hotter than girls in their twenties. I also truly enjoy our conversations. If I ever decide to settle with someone, it would be a fantasy if she's like Viva.

The Story:

Another meeting with Viva, and each time it gets better. She knows what I want and how to turn me on. Once she entered the room, my man stood up immediately out of respect for this Diva, and never came down, even with her clothes on. Then the snog fest started; we kissed deeply like teenagers in love.

Soon after, her bra came off and we were on the bed still kissing. Oral followed while playing with her hair. The sight of her sucking is still making me hard. I exploded within minutes. I cannot think of a higher level of pleasure! She is a true sex Goddess. Amazing!

Time for some chat, and she knows how to connect with her lovely personality. It's a true gfe experience. Then round 2 until I was totally drained. Time flew by with Viva very quickly. You never want to leave.

Thank you Viva!! My best time of the week is with you in the bedroom. Till next time.
