The Lady:

Petite blonde girl. short in height, nice body. Site says 26.....she's actually 34, though she could pass for 26. Wish they wouldn't make out the girls to be lots younger.

The Story:

Disappointing experience. Girl is advertised as DFK, and further along, french kissing. All you will get is light pecks on the lips. Complained on exit and was told all services are at the ladies discretion.....That is total bollocks. I explained that I am always meticulous with my hygiene, especially before seeing an escort. Anyway, the girl herself said she would ask to have it removed, as did the receptionist after some argument, so it clearly isn't available....full stop. After a week, this has not been removed and I don't think they ever intended to. As a result the whole experience felt more like a financial transaction, rather than a GFE. She goes through the motions, but no sign of enjoyment, not even a whimper.No eye contact during giving oral, the whole thing seemed cold and detached.Although the girl is pretty, she's very mechanical and there are far better girls at Annabellas or Mk escorts, who enjoy what they do, or at least, make u believe they do.
