Flat in Victoria, London. Easy to find.

The Lady:

Looks very similar to her photos. Beautiful eyes, shapely figure, beautiful bum. Several tattoos.

The Story:

Honestly, one of the best punts I've ever had. Super friendly girl, as soon as she came into the room there was plenty of contact, starting with lots of kissing before she started undressing me with loads of eye contact and talking. Really good connection.

What followed was great. A mix of GFE and PSE. Loads of kissing and cuddling mixed with amazing oral skills from here, great eye contact and the right level of 'dirty talk' which felt and sounded natural. Great use of the full length mirror in the room!

After lots of oral and rimming on her, it was on with the condom with sex in two positions, before she finished me off by hand which is something I love. Again, loads of attention, eye contact from those beautiful eyes.

The 'finish' was incredible. Better than I've had, or managed, for ages.

Remainder of the time (not long) was spent with her in my arms chatting away.

Genuinely had a great time. Can't wait until I'm back in London, just hope she's also there when I am. Would 10/10 recommend.
