### The Premises:

Less than 5 minutes walk from Bayswater tube station on a quiet residential road, and very easy to find. Arrived a few minutes early and was promptly buzzed into the flat. Up a few flights of stairs and gently knocked on the door (the flat is clearly marked). Clean, small, but entirely adequate boudoir with ensuite bathroom - shower is a bit too small for a shared shower if that's your thing. Soft red lighting and background music to set the scene (classic).

### The Lady:

Not sure if was the room ambiance, but Monica looked much hotter than her Olina pictures would suggest, and had a captivating smile with a naughty glint in her eye - a sign of things to come. All natural early/mid thirties Thai beauty about 5'1 with flowing dark chestnut hair, a few tasteful tattoos, and a fully shaved pussy - impeccable hygiene. Reasonable grasp of English, but as usual, I always struggle with the accent - not an issue mind.

### The Story:

Usual magic door scenario, with Monica appearing from behind and already dressed in some very alluring lingerie. Shoes off and lead into the boudoir. I have a real thing for vertically challenged Thai ladies at the moment and couldn't wait to get intimate with Monica. However, the formalities need to be addressed beforehand, so paperwork sorted, plus small gift given and into the ensuite for the briefest of showers, with Monica handing me a fresh towel once finished and helping me to dry off. Monica asked me what I liked (a slow and sensual GFE with a CIM finish, followed by a massage was on today's menu) and boy, Monica delivered that in spades, and some...

We started by both lying down on the bed and taking time to explore each others bodies with lots of caressing and DFK. Things escalated quickly, and it wasn't long before Monica was expertly sucking my cock - amazing skills. Next up was a bit of RO (well actually quite a lot). Monica appeared to love this, especially when combined with gently caressing her soft satin like skin, and was happy for me to continue whilst she occasionally fingered herself, allowing me to suck off the juices - I love that. Next up it was on with the condom and straight into some good old fashion sex, starting slow and building to a crescendo in both missionary and cowgirl, to the point at which Monica needed a brief time-out to compose herself - cowgirl is highly recommended. We also tried plenty of rimming and 69, with a Hand/CIM finish followed by an expertly administered massage

(didn't ask for A-levels as I was enjoying all the other things so much).

Throughout our time together, I found Monica to be very playful and chatty, with nothing being too much trouble, and everything delivered with a genuine enthusiasm. Monica went out of her way to make me feel at ease and didn't mind taking guidance - if you don't ask, you don't get. Overall a really nice experience which deserves a further visit.
