### The Premises:

Upstairs flat in SW1. Already well known on this forum.

### The Lady:

Photos are accurate - blonde with amazing natural tits; she's a lovely little package. Pleasant surprise...very pretty (face not visible in the photos).

### The Story:

Honey is a pretty blonde who is obviously good at what she does and is genuinely keen on her visitor having a great time.

She welcomed me with lots of DFK even before we sorted out the paperwork. Once I settled that with her, she remained standing and continue the kissing for a good long time...absolutely no rush. Honey asked what I was into and what I'd like. Then back to DFK, again, without rush. She was really into it. After a few minutes we moved to the bed and asked how I'd like to start.

I wanted to go down on her, so she got into position. After a few minutes of really nice pussy eating (which she seemed to like) and quite a juicy bit of dirty talk from Honey, we moved to mish and it didn't take more than a couple of minutes for me to blow my load.

She then offered me a massage, which was very pleasant, and gave me 10 minutes to recharge. She then jumped to OWO and also rubbing her magnificent boobs on my cock. Her oral was incredible, she used her tongue all over my cock, balls, etc, and even deep-throated several times. After a few minutes of selfish enjoyment, we moved to 69 to make it mutual. That was wonderful for a few minutes and when I was ready, she put the cover on me and she rode me cowgirl. Finally I asked to switch to doggy, which she was happy to oblige, and after a solid few minutes I came buckets.

One of the best hours I've ever spent, not just because of the superb sex but also the friendly and pleasant nature of Honey.

Highly recommended.
