Central London flat, well served by public transport. All facilities fully up to standard.

The Lady:

Mediterranean (white ethnicity but tanned) appearance, nice figure, great legs and bum. Medium size breasts. Lovely hair. Very natural look. Said to be English/French but came across as entirely English with a very well spoken accent.

The Story:

My first time at House of Divine so I was a little nervous but Valentina immediately put me at my ease with her friendly and natural manner. We started with DFK (lovely soft lips and an adventurous tongue), which quickly led on to both of us getting entirely undressed. She started with some Oral Without and after a short time I asked her to rotate round for 69, with her on top. Absolutely gorgeous pussy and bum at the end of some great legs defying her stated age of 38. She clearly enjoyed being sucked and licked and, to my surprise, I brought her to orgasm quickly. After a brief rest with a cuddle, she fitted me with the usual protection and mounted me for a lovely ride on top maintaining eye contact and with me fitting her like a glove. We then switched to missionary and I exploded inside her in the best climax I'd experienced for a long while.

Valentina said she was new to this game (or newly returned to it anyway) and she said she'd always had a high sex drive and was really enjoying the variety of people she was meeting. Her pleasure seemed 100% genuine and anyone liking a well spoken English girl, young enough still to be gorgeous but old enough to know exactly what's needed to please a man, will come away 100% satisfied too.
