The Story:

OMG i honestly have no idea where to start. I got to the place and was greeted by Emily and i was already really attracted to her she guided me to the room and came in a short while after, i let her know all of my likes and dislikes to get the guessing game out of the way.

We got down to a massage and from there i was in heaven her OWO was INSANELY good, i not had as good as a blowjob like hers in a long time because she not only makes the dick wet as requested she's willing to be held down for deepthroat for me was a massive turn on and we tried different positions and talked a lot about life, escort industry and so much more.

I could write so much but Emily has helped me make my decision of what type of lady i look for and she is now the standard each lady has to meet as a basic, i'm still not fully over the wicked experience i just had with emily and will be seeing her again!
