### The Premises:

Usual place. If you don't know where it is, it can be a little difficult to find, but if you text/ring, they can text you the details. Located in fairly quiet area. Parking is available, but I normally park at the other location and do the walk as it's free parking and only a short walk (roughly 5 minutes). Rooms are clean and well maintained, not sure if there is a shower & toilet in every room, but so far all the rooms I've been in have had it's own shower and toilet, with mouthwash & body spray provided. As mentioned in other reviews, rooms can get fairly hot.

### The Lady:

Stunning. Pictures on website are accurate, if not underselling how stunning she is. Petite and slim Chinese woman, about 5ft4 without her heels on. Breasts are about a B cup, bum is very pert. Dark, short hair with a red undertone. A few tattoos on various parts of her body.

### The Story:

I don't usually write reviews, but after spending an incredible 45 minutes with Cassie, I needed to.

Opted for a walk in appointment. I was hoping to see Cassie or Jennie, but Jennie was busy and after getting to see Cassie, I'm not disappointed that Jennie was busy. I'd long wanted to see Cassie but unfortunately our schedules never aligned, until today that is.

I was shown up to the room by the maid and told Cassie would be along shortly.

Quickly nipped into the toilet just to freshen up, and while in there I could hear the distinctive click of heels. Cassie entered the room and unfortunately for me being a heel man, she'd already taken them off by the time I got out (although after looking at the heel size, I'm not surprised). She was wearing a gorgeous bra and underwear set.

I was greeted by a very friendly hello and a lovely smile with full DFK. She has a very calming and relaxing effect, the second I saw that smile, I was instantly at ease. After undressing and more DFK, she asked what I liked.

I won't go into details about what we did, I'll keep that between me and Cassie, but what I will say

is, everything we did, felt absolutely incredible. It was honestly one of the best feelings I've ever had and will remember it for a very long time. Cassie really knows what she's doing.

After we'd both finished, we laid on the bed, cuddled for the remaining time (and I must add, at no point did I ever felt rushed or that she was trying to get things done quickly), and just chatted. Cassie is really easy to talk to, and just generally a very friendly, bubbly woman.

When leaving she reminded me that as I'd shown the walk in voucher to the maid, I could have got £15 off, but after the experience I had with her, I was more the happy for her to have the full £120. I'm not sure if she charges extra for CIM or COF, but again, after the experience we had, I personally don't care if she did, it was well worth it.

After leading me downstairs, it was one final kiss and I left a very, very happy man. An incredible experience and Cassie is someone that I'm hoping to visit again and again. My main concern now is, word will get out how incredible she is and she will always be fully booked, so terrible, don't go lads, hopefully that way I can keep her all to myself.
