### The Premises:

This is a pleasant basement flat in a nice road just off Baker Street. The tube station of the same name is ten minutes walk away. The bedroom is small but with a large comfortable bed. The bathroom has a walk-in shower, clean but on the small side.

### The Lady:

Molly is an attractive young Thai woman probably late 20's She is petite, and barely 5ft, but is curvy, busty, and with a lovely bottom.

### The Story:

I found Molly attentive and welcoming, and dressed as requested. We started with a nice shared shower, then back into the bedroom for a lot of mutual oral, together with kissing and hugging. Then onto the main event, starting with vaginal, and finishing with anal to completion.
