The Story:

I did a walk in and of the ladies available I chose Taylor as she offered to swallow which isn't on her profile so happy days!

I had seen her once before and thought she was okay but no more, today she was excellent. Full on kissing to start, really deep owo with some gentle face fucking, receptive to any request (she even very briefly rimmed me), culminating in a big load in her mouth which was swallowed swiftly and with a smile. Highly recommended
