The Premises:

A basement flat located on the main road just off the mainline train station, door had lots of doorbells. A bit confusing as I asked the maid on the phone but she said that she didn't know (apparently it was her first day working there.) No a problem, that's why we have mobile ophones he he he he!! But I phoned and maid came to the door to let me in.

Whilst inside, the place felt quite secure and not too shady, rooms a nicely situated so that you don't bump into any body else coming out.

Nicely decorated with x-mas decor, seemed quite clean I wasn't attentative about the place.

The Lady:

A very pleasant strawberry blonde haired lady about 5'4 ish, late twenties. Came in wearing high heeled boots and a teddy I think, didn't pay too much attention as I was oggling her breasts.

The Story:

Spent about 10 minutes in the waiting room as Lee had only got in herself and needed time to prepare (watched robot wars with the maid).

Finally maid led me into the room and waited for Lee. When Lee arrived we went through the prices and I opted for the much talked about FP. Really enjoyed the showed, being soaped and breasts rubbed against the body.

Then had a nice massage till I was asked turn over then we kissed a for a bit and was asked if I would like to give her oral (I didn't need to be asked twice). I don't know if was really doing it for her but she made the right noises and responded. Then I was on with the condom for a BJ. Then cowboy (girl), doggy and mish.

I don't usually get off will wearing a condom so I agreed to be finished off by hand instead.

A very lovely woman and puts you at ease effortlessly.

Will definitely be returning but will be trying the other girls, especially Yasmin and Madonna as I've read so much about them.
