The Premises:

Sandy's is as usual clean, safe and very very comfortable.

The Lady:

Morgan is a very sexy lady, perfectly proportioned with a fantastic figure of 34-22-34 with a very pretty face.

The Story:

I entered the bedroom after my shower and waited a couple of minutes for Morgan to arrive, when she did her bubbly personality immediately broke that awkward first couple of minutes.

An excellent back massage followed including a great body to body session.

Morgan then asked me to turn over and proceeded to massage my front, as you can imagine I was by this time pointing in the right direction so she proceeded to perform the best bbbj I have received in years. Realising I was approaching the limit Morgan sat back and said "Let's play, my turn now" and handed me a large dildo. I spent the next 10 minutes face down in a sweet tasting pussy, licking her clit and pushing the dildo in and out. I pride myself on my oral technique and believe, unless last year's Oscar was given to the wrong person, Morgan came at least twice before she decided it was my turn again.

As I lay back Morgan climbed on top facing away from me and rocked back and forth slowly, then as I thought it could get no better she climbed off and back on again facing me gradually speeding up.

We finished up in the doggy position riding furiously to a mutually satisfying climax with Morgan holding tight onto the bed's iron head board. The session finished with a cuddle which is always very nice.

Sandy if you are reading this I'm am sorry for the broken head board but you have a star working for you and I cannot wait till I see her again.
