The Premises:

Sandys superstars, refirbushed recently, i didnt see it before it was done but it is ok now, even though i got stuck in the back room.

The Lady:

loads has been said about her, she is tall, slim, bronzed. i normally go for busty girls, Amy was on (new girl) she looked gorgeous but didnt do owo) Tara was also on but she was to crazy for me!!

The Story:

Had to wait for a while but eventually took me to the room, she gave a good massage with nice use of the tongue! turned me over and said she liked the look of me and would do owo! she sucked amazingly well, really hard and fast, i could have came in her mouth.

she then got on top and fucked hard, then from behind fucking herself with a vibrater while i licked her arse, this was really good. She then took me to a sofa and sat on me in reverse position and slid up and down! i then took the condom off and she sucked me again. then finished me from behind sucking my fingers asking for two cocks!!!

i love this girl
