The Premises:

very well equipped flat.well kept,made to feel at home immediately by most polite maid.

The Lady:

sam is an absolute stunner.she's probably early thirties.long blonde hair and nice firm body.

The Story:

sam appeared at the door wearing thigh high leather boots and a red basque that she was popping out of.she gave me the wickedest look that gave me an instant stiffy.from the first moment it was clear who was in charge sam.i probably enjoyed the best hour of my life.sam was everything you could want in a mistress.she did things with her tongue that could make her a legend.well worth a visit.
