The Premises:

Very clean, nice comfortable end-terrace in a discreet estate in Telford - easy to find.

The Lady:

What can I say? Helen is my ideal woman! She has a shapely, lovely body and very kissable lips. When I met her she has brunette hair and to me I felt a huge similarity between her and Tanya Roberts. No joking! Whether she is blonde or brunette one thing is certain - you will NOT be disappointed!

The Story:

I was greeted by Helen with a figure hugging top and short skirt with suspenders just showing. After some passionate kissing we went upstairs and my lack of skill with the english language will fail me in adequately describing the pleasures she gave me for the next hour! All I can say is this was my first time I had seen Helen and my expectations were not matched - they were exceeded. I can't really say anything else other than forget the rest, this is the best!!
