The Premises:

The Sanctuary on Nottingham Road, in the centre of Ripley with good convenient car parking nearby. Establishment tidy and well decorated although some refurbishment was mentioned. Staff (4) very friendly and talkative putting you at ease straight away.

The Lady:

Attractive , slim brunette , about thirty years old, 36B. 5'5" tall. nicely tanned body, pierced belly button and discrete tattoo. In short a body to die for!

The Story:

VIP treatment from the moment you entered the candlelite Room. First shared a lovely bubble bath with Amanda and enjoyed easy conversation and fun finding the bar of soap under the bubble. This was followed by a relaxing and thorough full body massage using her expert hands/fingers. She had turned me on so much that I had to return the favour and massage her beautiful tanned body. Mutual masturbation followed with me tonguing her sweet pussy to a well acted climax. Nothing was too much trouble and she made me feel special. I will certainly return if I can get through the queues!
