The Premises:

A bright place recently decorated, if this place doesn't wake you up Debbie surely will. Not far from the train station in a nice area.

The Lady:

Debbie has been previously described, since i've never been good with height and size and age for that matter, here goes nothing:- Debbie is Brunette, Busty with great green eyes which doesn't hide her obvious mischievous nature and great sense of fun.

The Story:

After a particular stressful day I decided to visit Debbie for the um... nth time... lost count. As per usual I was offered a drink and decided to raid the sweet bowl waiting for Debbie to finish with her pervious client. After watching a particular great episode of Ed, Ally McBeal and my particular favourite Animal Hospital I joined Debbie in her newly decorated bedroom with mirrored wall, which I have to admit I do like. If you look at yourself in the mirror make sure you look at yourself on the left hand side of the wall, you'll know what I mean if you ever visit.

After Debbie had undressed me we adjourned to the shower where we mutually soaped each other and I had a great time. Moved on to the bedroom where suffice to say more fun was had.

Don't really want to say more than that, not my style really, but I do hope we both had a good time.

Now Debbie do you know who this is?, you should do, be seeing you soon, maybe you should try tying me down, I might like that.

If you still don't know who this is, Pat I don't think you'll ever recognise my voice will you???
