### The Premises:

Sandys Supersatars !!! Need I say more...

### The Lady:

A stunning figure. Much beter than her photos show. I love slim ladies, and boy is she slim. She is also well toned and has the most superb long legs. This girl is posh, it's like travelling first class. In fact her voice is a turn on itself.

### The Story:

Patrice was recommended to me by Jessica. They used to work together. When she walked into the waiting area I nearly died... she is stunning and much much nicer than the pictures show. After the shower it was straight into the massage. Which believe me is good. What that girl can do with her tongue has to be experienced.!!! I was rolled over and invited to taste her sweet juices in a 69. I could contain myself no longer and asked if we could change position. She said don't worry, you can come twice. bbbj is somthing all men should experience. Then sex in various positions. Enough from me. Just try her.. you won't be dissappointed
