### The Premises:

A very clean and discreet basement flat, 2 mins from Earls court Tube

### The Lady:

Tina is a tall auburn haired Goddess with a body to die for and se knows how to use it.

### The Story:

Called the maid earlier in the day to book the appointment, you then have to ring one hour before to confirm your booking very well handled system. Arrived a 6.30 as arranged and was greeted by a very friendly maid offered drinks while Tina got ready.

A few mounments later I was shown to the fun room where Tina was waiting. To say she is stunning is such an under statement, I felt my cock stiffen as soon as I laid eyes on her.

Their is no rush with Tina she sits you down and has a chat to make sure you get the service you want and all the time this is going on her sexy body is on full view.

I went for Tie & Tease Body worship and CBT.

What a session I had, I was tied to the cross she then tied my balls and played with my rock hard cock telling me all the time that if I went soft I could do what I liked to her, Little chance of that as she sucked my off and rubbed her tight little ass and pussy against me.After some CBT fun I was ordered to worship her body which ment I got to lick her sweet pussy till she came.

Then I was tied to the bed where she fucked me so hard I dont no how I held on, then to finsh with she got on all fours stuck her stunning ass in the air and told me to fuck her hard, I could only last a few thrusts before i cum like never before.

This lady is out of this world when you leave her you feel like a million doller.

I cant wait to go back think I will have to sale the house to fund my visits.
