The Lady:

mmmmmm....discription of debbie....now where do i start.....to cut a long story short because i could be here for ages because she has got a volupuvous body as you can tell from her photos but the main parts that have burned into my mind where her ass and legs...and her tits too....lol....to me she's got a j-lo body!...for those that don't know what a j-lo body is.....slim hips but a ass that says pow!!! and in thongs...it makes it look a hundred times better!!

The Story:

Well i was let in by pat and guys let me tell you....i almost forgot i was there to see debbie....what a woman!!,funny,bubbly,sexy....the list could go on, i don't know if pat works as well because her pics are not on the site but dam!!!!....you know what?...i not even going to describe her to you because that would ruin the surprise of when you guys see her.....but debb's or pat if you reading this....email me a date huh?....lol

Now that i've taken up nearly half the report with pat it's only fair that i finish with the boss(so to speak). things were pretty busy when i got there but the wait was worth it as i had chosen a secutary fantasy....! in comes debbie in a sexy black number with shoes that showed off her calf muscles and legs to perfection....we agree on price and off she goes to suit up as they say,

so i'm in the chair waiting and about 5 mins later she comes back in wear a tight fitting suit, stockings, the shortest of skirts and heels.....but i'm not going to bore you with the in's and out's so to speak because that's my fantasy, so what you waiting for!!! the number at the top of the report...RING NOW!!!!.

ahhh i'm still having visions of her bending over in that tight skirt and giving me such a come and do me from behind look!!

this has been a busdriver report!
