The Premises:

The Directors Lodge in Chorlton is a very nice parlour. Discreet side entrance, safe area and well maintained

The Lady:

Attractive lady with short dark hair. About 5' 6", nice arse and tits. I would put her at a bit older than the 25 the website says she is though.

The Story:

I decided to take a trip to Directors after reading a couple of good reports about Amanda (who also works at Kellies) to take advantage of their weekend special price of ?35. Amanda was available when I arrived and took me up to the room.

I had a short wait while Amanda sorted herself out, but what was to follow definitely made the wait worthwhile.

Started off with a back massage, but Amanda immediately went for my balls and arse. After a bit of massage and general chit chat she she started to lick my balls and arse. I then turned over and Amanda gave me some hand relief while i played with her tits. Then onto OWO, which was fantastic! Bit of 69 followed this.

I then asked Amanda to sit on me which she was more than happy to do. She rode my cock for a few minutes and then started to suck it again. Finished off with doggy.

Overall this was a great punt. Amanda was very chatty, and talked very dirty all the way through. She gave the impression she was enjoying herself as much as I was! At that price you really can't go wrong.
