The Premises:

Fairly discreet side entrance next to a row of shops. Best to approach from the alley at the rear of the shops. Better than I'd expected inside - clean, tidy, welcoming, good receptionist.

The Lady:

I went for Amanda from description on website and was not disappointed. She's very pretty (though looks nothing like Debbie Harry thank goodness). Bit of excess around the stomach, but not as much as most of us boys eh? Definitely a 5* lady who makes you smile from ear to ear just being with her.

The Story:

An hour with Amanda is something to be savoured. Fantastic OWO, reverse oral, the works. Sod the massage, though it was very nice, she wants to please and please she does. Touches you everywhere she knows you're going to enjoy and guides you through a timeless pleasure zone ? the hour fairly flew by. My only (very minor) disappointment was that Amanda didn't join me in a bath afterwards though there wasn't much time left and I didn't ask!! Maybe next time. Thanks for a great time Amanda, see you again soon.
